

INVESTMENT MANAGEMENT AGREEMENT

Schwab Institutional Accounts

This Investment Management Agreement is entered into by and between _____ (the Investment Manager or "IM") and Marc J. Lane Investment Management, Inc. (the Separate Account Manager or "SAM") for the purpose of providing discretionary investment portfolio advisory services to one or more clients of IM (collectively referred to herein as "Client") who have established one or more brokerage accounts (collectively referred to herein as the "Account") at Charles Schwab & Co., Inc. ("Schwab"). This Agreement shall apply only to those accounts managed by IM which are held at Schwab, which SAM agrees to accept, and which have been opened by Clients using the forms prescribed by Schwab for the Schwab Separate Accounts Platform ("Schwab Platform").

1. Schwab Platform

(a) IM represents that (i) IM has entered into an Investment Manager Service Agreement ("IMSA") and, if required by Schwab, a Separate Accounts Addendum ("IMSA Addendum") with Schwab, (ii) that each Client has entered (or, prior to IM's submission to SAM of the Client's suitability questionnaire as provided in Section 6(a) below, will have entered) into a brokerage account application and agreement in the form prescribed by Schwab for the Schwab Platform (the "Client Account Agreements") and (iii) that each Client has (or will have) entered into an investment advisory agreement with IM (the "Investment Advisory Agreement") that contains, among other things, provisions contemplated by Section 3 below. Upon the request of SAM, IM agrees to provide SAM with a copy of the Investment Advisory Agreement for each Client.

(b) SAM represents that SAM has entered into a Separate Account Manager Service Agreement ("SAMSA") with Schwab.

2. Selection of SAM by IM

(a) IM has determined that an account separately managed by SAM is appropriate for each Client and that SAM's investment style (as set forth in Exhibit A hereto) ("SAM's Investment Strategy") is suitable for that Client. To ascertain the financial situation and investment objectives of the Client, IM has obtained a completed suitability questionnaire from each Client in the form prescribed by IM for that purpose. IM shall furnish SAM with a copy of the completed suitability questionnaire for each Client.

3. Delegation of Investment Authority

(a) IM represents that each Client's Investment Advisory Agreement authorizes IM to select SAM to manage the Client's Account and to delegate investment discretion, brokerage discretion and trading authority over the applicable Client Account. SAM, together with IM, and not Schwab, shall have sole responsibility for the implementation of Client's investment program with respect to any Client Account for which investment discretion has been delegated by IM to SAM and accepted by SAM.

(b) IM hereby delegates to SAM sole discretionary authority to invest and reinvest the securities, property, cash and other investments held from time to time in the Account in such manner as SAM deems advisable in accordance with SAM's Investment Strategy and the investment objectives, financial situation and any reasonable restrictions the Client has imposed on the management of the Account, as set forth in the suitability questionnaire.

(c) SAM agrees that it will manage each Client's Account with the care, skill, and prudence under the circumstances then prevailing that a prudent person acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of a like character and with like aims.

(d) IM agrees not to place orders for transactions in any Client Account or otherwise exercise trading authority over the Account at any time when SAM has trading authority over the Account.

(e) If IM is authorized to make withdrawals from a Client's Account, IM agrees to provide five business days' prior notice to SAM (or such shorter period as the parties may mutually agree) prior to making any withdrawals or disbursements from the Account or any contributions to the Account.

4. Responsibilities Under Rule 3a-4

The parties intend that the investment advisory services provided hereunder fall within the safe harbor from the definition of "Investment Company" under Rule 3a-4 under the Investment Company Act of 1940, as amended ("Rule 3a-4"). The parties agree to allocate their respective responsibilities for complying with Rule 3a-4 as follows:

(a) **IM's Responsibilities:** IM agrees to perform the following responsibilities under Rule 3a-4:

(i) At the opening of the Account, IM shall obtain sufficient information (in the form of the suitability questionnaire and otherwise) from each Client about the Client's financial situation and investment objectives along with a completed Advocacy Investing Questionnaire so to be able to provide individualized investment advice to the Client and give the Client the opportunity to impose reasonable restrictions on the management of the Account.

(ii) At least annually, IM shall contact each Client to determine whether there have been any changes in the Client's financial situation or investment objectives, and whether the Client wishes to impose any restrictions on the management of the Account or modify any existing restrictions.

(iii) At least quarterly, IM shall notify each Client in writing to contact IM if there have been any changes in the Client's financial situation or investment objectives, or if the Client wishes to impose any reasonable restrictions on the management of the Client's account or reasonably modify any existing restrictions, and provide the Client with a means through which such contact may be made.

(iv) IM agrees to immediately notify SAM of any changes in any Client's financial situation or investment objectives, or any additional restrictions on the management of the Account or any modification to any existing restrictions.

(v) IM agrees to be reasonably available to each Client for consultation about the Account and shall advise the Client on how to contact SAM's personnel who are knowledgeable about the Account for consultation purposes.

(vi) Each Client shall retain, with respect to all securities and funds in the Account, to the same extent as if the Client held the securities and funds outside the investment advisory program, the right to:

- A. Withdraw securities or cash upon reasonable notice;
- B. Vote securities, or delegate the authority to vote securities to another person;
- C. Be provided in a timely manner with a written confirmation or other notification of each securities transaction, and all other documents required by law to be provided to security holders; and
- D. Proceed directly as a security holder against the issuer of any security in the Client's Account and not be obligated to join any person involved in the operation of the investment advisory program, or any other Client of the program, as a condition precedent to initiating such proceeding

(b) **SAM's Responsibilities:** SAM agrees to perform the following responsibilities under Rule 3a-4:

(i) SAM will manage each Client's Account on the basis of the Client's financial situation and investment objectives provided to SAM by IM, and in accordance with any reasonable restrictions imposed by the Client on the management of the Account.

(ii) SAM will make its personnel who are knowledgeable about the Account reasonably available to each Client and IM for consultation.

(iii) SAM will permit each Client to have the ability to impose reasonable restrictions on the management of the Client's Account, including the designation of particular securities or types of securities that should not be purchased for the Account, or that should be sold if held in the Account.

5. Proxies

If authorized by the Client in the Client Account Agreement, SAM will, with respect to securities held in the Account, (i) vote proxy ballots, (ii) provide instructions regarding corporate reorganizations and other corporate actions and (iii) receive certain prospectuses, annual reports and other communications, and to take action with respect to the voting of securities held in the Account (collectively, "Shareholder Actions"). IM agrees to advise SAM in writing whether the Client has authorized SAM to take Shareholder Actions at the time IM furnishes the suitability questionnaire for that Client to SAM. If SAM has not been authorized by Client to take Shareholder Actions, SAM shall not be responsible or liable for any failure by IM or any custodian to correctly and timely process any Shareholder Action affecting a Client Account communicated to IM by SAM.

6. Acceptance of Account by SAM

(a) Within three business days after IM has provided SAM with copies of a potential Client's suitability questionnaire, and the Advocacy Investing Questionnaire SAM will notify IM as to whether SAM has decided to accept or reject that Client's Account.

(b) If the Client transfers all or a portion of the assets to be managed by SAM in the form of portfolio securities, IM will disclose to the Client that the Client will remain exposed to market risk with respect to the value of such securities at and after the time of transfer, and shall continue to be at risk until such time as SAM accepts management responsibility.

7. Brokerage Services

(a) IM hereby instructs SAM to execute all or substantially all agency and principal securities transactions for the Account through Schwab, subject to the duty of SAM to obtain best execution. SAM may effect securities transactions for the Account through a different broker-dealer if SAM believes, in good faith and in the proper exercise of its fiduciary discretion, that such broker-dealer may provide the best execution for that transaction. SAM shall not be liable for any negligent act or omission of Schwab or any other broker-dealer in connection with the provision of any services contained herein.

(b) SAM may buy or sell the same security for a number of its clients at approximately the same time. In order to more equitably allocate the effects of such market fluctuations, purchases or sales of a particular security for an Account may at times be combined or "batched," whether through an "omnibus" account or otherwise, with purchases or sales of the same security for other clients being made at approximately the same time. In such cases, the price shown on confirmation of the Client's purchase or sale will be the average execution price on all of the purchases and sales that were aggregated. SAM is able to combine or "batch" a Client's orders for purposes of execution only with orders for the same securities for other Accounts managed by SAM under the terms and conditions of the Schwab Platform.

8. Compensation

(a) SAM shall charge an asset-based fee for each Investment Strategy offered to the Client in accordance with the fee schedule attached hereto as Exhibit B, as amended from time to time. The fee schedule sets forth whether the fees are billed quarterly or monthly, and in advance (based upon the market value of the Account on the last business day of the preceding period) or in arrears (based upon the market value of the Account on the last business day of the current period). The minimum account size shall be \$250,000. SAM's investment advisory fee is based on the value of the assets held in the Account and is not a performance fee.

(b) IM agrees to disclose to each Client in writing the amount of SAM's investment advisory fees.

(c) IM represents that each Client will provide written authorization to Schwab to pay SAM's compensation directly from a Client Account at Schwab.

(d) If this Agreement is terminated pursuant to Section 9 below other than at the beginning or end of a quarter, the investment advisory fee shall be prorated for that period based on the portion of such quarter that this Agreement was in effect.

9. Termination of Account

(a) If at any time the Investment Advisory Agreement with a particular Client is terminated by the Client or if a Client revokes IM's authority to delegate investment authority to SAM, IM shall immediately notify SAM in writing and this Agreement shall no longer apply to that Client's Accounts.

(b) If at any time the IMSA is terminated by Schwab or IM, IM shall immediately notify SAM and this Agreement shall terminate.

(c) Unless terminated under subparagraphs (a) or (b) above, either party may terminate this Agreement by giving the other party five business days' prior written notice (or such shorter period as both sides may mutually agree); provided, however, that either party may terminate this Agreement immediately upon written notice to the other in the case of the other's breach of this Agreement.

(d) Notwithstanding any termination of this Agreement, IM acknowledges that termination will not affect the obligations of any Client and IM resulting from transactions initiated prior to such termination, so that, for example, SAM may confirm trades initiated prior to receipt of notice of termination.

(e) SAM may terminate its discretionary investment portfolio advisory services to any Client upon five business days' prior notice to IM.

10. SAM's Representations

SAM represents and warrants that:

(a) It is, and for the duration of this Agreement shall remain, registered as an investment adviser under the Investment Advisers Act of 1940, as amended (the "Advisers Act") or is exempt from such registration.

(b) This Agreement is a valid and binding obligation of SAM enforceable in accordance with its terms.

(c) All persons signing this Agreement on behalf of SAM possess full power and authority to do so.

(d) It will maintain and preserve on behalf of each Client Account all records required to be maintained by SAM by the Advisers Act and the rules thereunder and comply with all laws relating to the SAM's management of the Account.

(e) Its Form ADV is true, accurate and complete.

(f) It has the financial resources, personnel, and assets needed to perform its obligations under this Agreement and agrees to notify IM of any changes in its circumstances which would adversely impact its ability to perform its obligations under this Agreement.

(g) It will comply with all applicable laws.

11. IM's Representations

IM represents and warrants that:

(a) It is, and for the duration of this Agreement shall remain, registered as an investment advisor under the Advisers Act or is exempt from such registration.

(b) This Agreement is a valid and binding obligation of IM enforceable in accordance with its terms.

(c) All persons signing this Agreement on behalf of IM possess full power and authority to do so.

(d) It will maintain and preserve on behalf of each Client Account all records required to be maintained by IM by the Advisers Act and the rules thereunder and will comply with all laws relating to the IM's management of the Account.

(e) Its Form ADV is true, accurate and complete.

(f) It shall not make any false representations concerning SAM (excluding any statements concerning SAM contained in SAM's Form ADV or in other written material provided by SAM).

(g) It will comply with all applicable laws.

12. Documents and Records

Prior to a Client designating SAM to manage the Client's Account, IM agrees to deliver to the Client SAM's Form ADV, Part II or equivalent brochure, along with the SAM's privacy policy and any other disclosure documents required to be delivered to a Client under the Advisers Act and other applicable law. SAM agrees to provide IM with such additional copies of its Form ADV, Part II or equivalent brochure, as well as SAM's privacy policy and any other SAM documents required to be delivered to Clients, as IM may reasonably request to deliver to Clients or prospective Clients. Upon request of SAM, IM agrees to provide SAM with copies of the Clients' written acknowledgement as to the date upon which they received SAM's Form ADV, Part II, SAM's privacy policy and any other required disclosure documents. IM also agrees to provide SAM with a copy of IM's Form ADV upon SAM's request.

13. Notice of Certain Adverse Events

Either party shall promptly notify the other of (i) any material adverse change in its status or ability to manage Client Accounts; or (ii) the naming of it as a defendant in any criminal, civil, administrative, or enforcement action which could result in a material adverse change in its investment advisory services.

14. Indemnification

Each party (the "Indemnifying Party") agrees to indemnify and hold harmless the other (the "Indemnified Party") and the Indemnified Party's affiliates, and the directors, officers, employees and agents of the Indemnified Party and its affiliates, from and against any and all claims, actions, costs, and liabilities, including without limitation reasonable attorneys' fees, arising out of or relating to: (i) any breach by the Indemnifying Party of any provision of this Agreement, including without limitation the Indemnifying Party's failure to perform any of its duties to comply with Rule 3a-4 as set forth in Section 4 above; (iii) the negligent performance by IM of its services to a Client, (iv) any violation by the Indemnifying Party of any law or regulation applicable to it; and (v) any dispute between the Indemnifying Party and any Client, including disputes concerning the Indemnifying Party's fees or services to a Client.

Notwithstanding the foregoing, the Indemnifying Party's obligations to indemnify the Indemnified Party will apply only to the extent the claim, action, cost and/or liability is not due to the fault of the Indemnified Party and only to the extent that any such losses or damages were caused as a result of the Indemnifying Party's actions or omissions. The indemnity and hold harmless provisions in this Agreement will survive any termination of this Agreement. Neither party will be liable to the other for consequential damages.

15. Confidentiality and Use of Names

All information supplied by one party to the other party, including all Client information supplied by IM, but excluding information in the public domain through no wrongful act of either party to this Agreement or of any affiliate thereof ("Confidential Information"), will be used by the receiving party solely in connection with the performance of its obligations under this Agreement or as otherwise required by law or upon the request of a regulatory authority having jurisdiction. Each party will receive Confidential Information in confidence and not disclose it to any third party except as may be necessary to perform its obligations under this Agreement or except as may be required by law, upon request of a regulatory authority having jurisdiction or agreed on in writing by the other party. On written request or on the termination of this Agreement, each party will return to the other party or destroy all Confidential Information in its possession or control, provided that each party may retain a single copy of any documents that such party is obligated to maintain under record keeping requirements to which it is subject under applicable law, but for only so long as such records are required to be maintained. Except as required by law or as requested by a regulatory authority having jurisdiction, neither party may disclose to any third party any information concerning the identity or affairs of any Client without it first obtaining the Client's consent.

Neither party will use the registered trademarks, service marks, logos, names or any other proprietary designations of the other party without that party's prior approval. Each party will submit to the other party for prior approval any advertising or promotional material using the other party's name or any name associated with an affiliate of the other party, or such trademarks of the other party; provided, however, that a party can use advertising or promotional materials which were previously approved in substantially the same form without obtaining approval of the other party. SAM's written Investment Strategy, SAM's Form ADV and SAM's brochure, if any, may be used by IM without obtaining SAM's approval, so long as it is used in a manner consistent with applicable law.

16. Solicitation

During the term of this Agreement and for two (2) years following the termination of this Agreement or the termination of any Account, SAM shall not knowingly or intentionally (i) solicit any business from Clients, including any additions to Accounts managed hereunder; (ii) cause or encourage anyone or any entity to solicit any such business from any Clients; or (iii) request or cause any Clients to cancel or terminate any business relationship with IM.

17. Bonding

If an Account is subject to ERISA, IM agrees to advise SAM in writing at the time IM furnishes the suitability questionnaire for that Client to SAM whether Client's bond required pursuant to the provisions of ERISA or any other applicable law will cover SAM and any of its officers, directors, and employees, to the extent such coverage is required by law.

18. Arbitration

Regulatory authorities require the disclosure of the following information:

- (a) **ARBITRATION IS FINAL AND BINDING ON THE PARTIES.**
- (b) **THE PARTIES ARE WAIVING THEIR RIGHT TO SEEK REMEDIES IN COURT, INCLUDING THE RIGHT TO A JURY TRIAL.**
- (c) **PRE-ARBITRATION DISCOVERY IS GENERALLY MORE LIMITED THAN AND DIFFERENT FROM COURT PROCEEDINGS.**
- (d) **THE ARBITRATORS' AWARD IS NOT REQUIRED TO INCLUDE FACTUAL FINDINGS OR LEGAL REASONING AND ANY PARTY'S RIGHT TO APPEAL OR TO SEEK MODIFICATION OF RULINGS BY THE ARBITRATORS IS STRICTLY LIMITED.**
- (e) **THE PANEL OF ARBITRATORS WILL TYPICALLY INCLUDE A MINORITY OF ARBITRATORS WHO WERE OR ARE AFFILIATED WITH THE SECURITIES INDUSTRY.**
- (f) **NO PERSON SHALL BRING A PUTATIVE OR CERTIFIED CLASS ACTION TO ARBITRATION, NOR SEEK TO ENFORCE ANY PREDISPUTE ARBITRATION AGREEMENT AGAINST ANY PERSON WHO HAS INITIATED IN COURT A PUTATIVE CLASS ACTION WHO IS A MEMBER OF A PUTATIVE CLASS WHO HAS NOT OPTED OUT OF THE CLASS WITH RESPECT TO ANY CLAIMS ENCOMPASSED BY THE PUTATIVE CLASS ACTION UNTIL:
 - (i) **THE CLASS CERTIFICATION IS DENIED;**
 - (ii) **THE CLASS IS DECERTIFIED; OR**
 - (iii) **THE CUSTOMER IS EXCLUDED FROM THE CLASS BY THE COURT.****

SUCH FORBEARANCE TO ENFORCE AN AGREEMENT TO ARBITRATE SHALL NOT CONSTITUTE A WAIVER OF ANY RIGHTS UNDER THIS AGREEMENT EXCEPT TO THE EXTENT STATED HEREIN.

Each party hereby agrees to settle by arbitration any controversy between them or their respective affiliates, officers, directors, employees, or agents which controversy arises out of this Agreement or which relates to any Client Account, Client authorizations, Client Account transactions, or in any way arising out of their relationship to each other or Clients or Schwab. Such arbitration will be conducted by,

and according to the securities arbitration rules and regulations then in effect of, the Financial Industry Regulatory Authority ("FINRA"); provided, however, that if such controversy between the parties relates to a controversy to which a Client or Schwab is a party and that is the subject of an arbitration pending before the Pacific Stock Exchange, or Chicago Board Options Exchange, then the arbitration relating to the controversy between the parties shall be conducted by the same organization and according to the same rules and regulations as the pending arbitration. Either party may initiate arbitration by filing a written claim with FINRA or, if applicable, one of the other organizations specified above. If FINRA declines to accept jurisdiction over the dispute, then the parties will arbitrate the dispute at a forum reasonably agreeable to the other party, as selected by the party who first attempted to initiate the proceeding with FINRA.

Any award the arbitrator makes will be final and binding, and judgment on it may be entered in any court having jurisdiction. This arbitration agreement shall be enforced and interpreted exclusively in accordance with applicable federal law, including the Federal Arbitration Act. Any costs, fees, or taxes involved in enforcing the award shall be fully assessed against and paid by the party resisting enforcement of the award. The provisions of this Section shall survive termination or expiration of this Agreement.

This Agreement shall be governed by the laws of the State of Illinois.

IM agrees that SAM or its affiliates may give advice or exercise investment responsibility and take such other action with respect to Other Accounts and Affiliated Accounts which may differ from

INVESTMENT STRATEGY MARC J. LANE INVESTMENT MANAGEMENT, INC

The **Advocacy Investing**[®] method is a combination of positive “best in class” portfolio screening strategies that, after first screening for sound business fundamentals and corporate governance (and accommodating any industry exclusions specified by the client), seeks to identify companies whose corporate behavior, evidencing its Respect for the Environment and/or Social Justice, reflects and promotes the investor’s personal beliefs and values (or, in the case of an institutional investor, its mission). We strongly believe -- and our research indicates -- that it is possible for principle-focused investors using positive screening techniques to own stock portfolios consisting of companies whose business practices are highly consistent with their core values and beliefs – without sacrificing either diversification or long-term performance.

The premise of the **Advocacy Investing** strategy is that careful *positive* screening of management behavior will *empower* the investor -- in a way that *negative* screening by industry cannot -- by driving positive social change first in the boardroom, and ultimately in society at large.

Investment Philosophy

Marc J. Lane Investment Management, Inc. uses a disciplined investment process in managing each client portfolio to achieve specific financial goals. The firm seeks to maximize total return, given each client’s unique financial situation and investment objectives.

- ☒ We invest for the long-term. We are not market timers.
- ☒ We generally do not invest in the stocks or bonds of unseasoned companies.
- ☒ We look for companies that are best-in-class given client constraints.
- ☒ When setting industry sector weights we first look at the larger demographic and secular trends affecting the economy, and then actively target those sectors best positioned to take advantage of developing trends.
- ☒ Target price points are strictly enforced; removing the risk of “chasing” a stock on the way up as well as the kind of panic selling that can so easily undermine portfolio performance.
- ☒ Once a universe of possible portfolio candidates is selected, we employ our proprietary social and environmental screening process. Based upon the client’s specific criteria, securities are further screened and then a properly diversified portfolio is constructed.

Risk Management

Any participation in the stock market carries with it a certain amount of risk. While neither risk nor volatility can be eliminated from stock market investments, we believe that both can at least be mitigated by means of prudent and professional management. We employ the following risk management strategies in the management of our equity portfolios:

- ☒ We select companies that are among the leaders in their industries, with innovative management teams, and the ability to generate above-average earnings growth.
- ☒ We seek companies with strong industry specific fundamentals that utilize transparent, understandable accounting methods.
- ☒ We carefully diversify across typical equity portfolios of 25 to 35 individual issues.
- ☒ We generally avoid small cap stocks (less than \$1 billion in market capitalization).
- ☒ We hold positions in a broad range of industry sectors.
- ☒ We trim over weighted positions in individual stocks if they appreciate to more than 6% of the overall equity portfolio value.
- ☒ We invest no more than 30% of equity holdings in any one industry or economic sector, and economic sectors are further constrained to no more than plus or minus five percentage points relative to S&P 500 sector weights.
- ☒ We maintain a strict sell discipline. We believe that sell discipline is just as, if not more, important than knowing when to buy therefore we use strict criteria in determining exit points for our holdings.
